November 17, 2021

Dear Cabin Fever Days supporter / Local Business Owner:

The volunteers of the Trapline Association are already on the task of planning the 43rd annual Cabin Fever Days & World Famous Barstool Races. Please mark your calendar for our weekend of events February 11-13, 2022!

After a hiatus year due to Covid concerns, the volunteers of the Trapline Association are excited to be back to event planning. **We are asking local businesses to support our efforts and join our ranks as a business member.** The \$75 annual business membership fee will help us promote Cabin Fever Days, which through our fundraising efforts supports Martin City Volunteer Fire Department and Canyon Quick Response Unit. *In thanks for your support, all business members will have logo display and a live link to your website or facebook page from www.cabinfeverdays.com.*

We depend upon donations and dollars from local businesses to make our winter festival a success. Beyond membership, there are many ways to support our efforts, from our low-cost advertising program options to the donation of goods we would otherwise need to purchase. Even sponsoring a racing sled or sending a team to compete from your business contributes to the fundraiser – and helps build community in the Flathead too.

Enclosed is a membership form (1), an advertising order form (2), and the barstool ski race specifications (3) for good measure. *If you are thinking of racing, we are asking for registrations early this year, by January 31st!* Please help us get to the finish line for our 43rd in 2022. You can expect a follow up from a member of our team soon, OR you can return forms 1 & 2 by mail to us *with* OR *without* payment to:

Trapline Association
PO Box 190401
Hungry Horse, MT 59919

With many THANKS during the season of GIVING,

Ben Shafer
President, Trapline Association

MEMBERSHIP FORM

Thank you for choosing to support the Trapline Association, which produces the Cabin Fever Days winter festival each February! Your annual membership dues of \$75 will help us promote our events, which boosts event attendance and grows our donation proceeds. We then donate all event proceeds for the life-saving services provided by our volunteer fire departments in Bad Rock Canyon (Martin City-Hungry Horse and Coram-West Glacier, and the Canyon Quick Response Unit).

The benefit of membership allows you a vote on how we spend and disperse funds raised, gives you a seat at the planning table (only if you want one!), and most importantly gives our team the ability to promote your business as supporting our collective cause – keeping the people in our communities safe.

PLEASE SHARE A BIT OF INFO

BUSINESS ADVERTISING ORDER FORM

There are THREE ways to advertise your Canyon business to Cabin Fever Days crowds in 2022. All advertising proceeds help cover the cost of the program and to pay for the SHUTTLE. The PARKING SHUTTLE makes continuous loops through Hungry Horse, Martin City and Coram on Saturday and Sunday, picking up at designated parking areas and Sugar Hill, and stopping by request at participating Canyon businesses on the route.

BROCHURE AD: Our quad-fold brochure distributed at the Martin City entrance, at the Whitefish Winter Carnival parade, at participating businesses and select Flathead Valley locations for three weeks prior to Cabin Fever weekend. Brochure advertisers have a marker on the shuttle map. Space is limited.

- \$125 – ad includes small advertisement with logo & map pin
- \$50 – Sponsor Mention, includes pin on the shuttle map only
- commitment deadline Dec 3rd, Artwork by December 17th
- Add a Shuttle Ad for \$50 additional!
